

Team Member - Succulent Arrangement Designer

Succulent Native - Austin, TX

Our Staff — the plant support team!

When a customer arrives in the shop, they're always greeted by our team with a smile and a welcome. They are always ready to help customers find the plant or gift they're looking for, and knowledgeable about our specials, events, and artists featured in the shop. Our staff have a funky unique vibe, but are always attentive and ready to help!

The role:

- Design original succulent arrangements for in-store and online orders
- Take arrangement orders online and over the phone
- Assist with Plant Love Club, party, cart, or house call arrangements as needed
- Greet all customers with enthusiasm and open arms
- Educate customers on general house plant and succulent knowledge
- Complete sales using a POS system
- Be attentive to customer needs
- Open and close the store as needed
- Maintain shop cleanliness
- Assist with stock and inventory upkeep
- Promote plant health and appearance
- Provide the best plant shopping experience possible!

This job entails lifting and moving objects up to 50 lbs., bending and reaching, and standing for long periods of time

Requirements:

- Experience as a floral/succulent arrangement designer
- General Texas plant knowledge
- Ability to work our busiest times (weekends/holidays)

Nice to have:

- Retail and/or customer service experience
- Genuine desire to support plant parents
